

Brand Growth Accelerator – Powered by The Power of 3: Discover · Create · Boost

The Power of 3: Discover · Create · Boost is a results-focused brand and marketing workshop designed to help organisations clarify their positioning, strengthen brand identity, and lay the foundation for measurable growth.

Built around three interconnected phases—Discover, Create, and Boost—this 2-day programme focuses on Discover and Create to deliver tangible, ready-to-implement outcomes. Participants will define their brand purpose, values, target audience, and unique value proposition, then translate these insights into a compelling brand narrative, positioning statement, and core visual anchors. The optional Boost phase provides a structured pathway to activate the brand through targeted go-to-market strategies and execution planning.

Learning Outcomes

- Identify the key components of their brand's identity to align business and brand objectives.
- Recognize new approaches to crafting an authentic brand vision and mission that form the backbone of an impactful and ownable marketing plan.
- Design clear brand values and promises that strengthen business positioning in today's purpose-driven market.
- Develop a compelling brand story and draft identity (verbal and visual) that can be directly applied to internal and external communications.
- Analyze brand interactions with consumers (B2B and B2C) using a practical marketing framework to uncover opportunities and gaps.
- Apply actionable frameworks to align teams, improve brand consistency, and build long-term brand equity.
- Gain clarity and confidence in their brand to ensure future marketing efforts are strategic, impactful, and ROI-focused.

**Trainer
Alleena Abdullah**

Alleena is an energetic facilitator and consultant dedicated to elevating individuals and organisations through simple, strategic, and actionable solutions. She specialises in purposeful communication, brand clarity, and human motivation, helping professionals express their inner brand while driving meaningful business results.

As the founder of Yellow Tree Malaysia, Alleena trains and consults corporations, MSMEs, and underserved communities, including women, refugees, and indigenous groups. She is also the co-founder of Merawan, a boutique tech consultancy focused on media and people development. With a decade of experience at Nestlé, she developed strong expertise in brand strategy, marketing, and business management. She has worked with international and local brands such as Shell, Sime Darby, Lazada, Exabytes, and AstraZeneca across diverse industries.

Holding an MBA in International Hospitality Management (Cornell-ESSEC) and certified in NLP and Coaching, Alleena integrates behavioural insights into leadership, communication, and change initiatives to unlock growth and transformation.
